

## Color Transitions

## Accessories

Check our website for inventory of in stock items for immediate possession

## Additional Services

### MOVE IN DESIGN

Evaluating your new home/office right when you move in to achieve most effective layout of an assigned space and implementing that plan; including unpacking, placement and accessorizing.

### ORGANIZATION

Setting up an efficient area that is productive with functional, designated duties to achieve optimal performance from that space.

### DE-CLUTTER

Assistance eliminating excessive non essential items from your life which prevent you from functioning at maximum capacity with inner peace.

Whether you're selling, buying or updating your property, let us help you make it an "Impressive Property"

## Home Staging

## Custom Drapery Bedding - Upholstery Blinds - Shutters

Redesign: Giving your space a new look while making use of items you already have.

Staging: Redefining the living space of a house, making it more marketable to prospective buyers, resulting in faster sale and/or more money.
